

Darling Peony

ROBIN  PICKENS

The peonies are blooming again in Darling Peony! These romantic florals in shades of cream, pink, and cranberry mix with motifs of love and home. This line is perfect for Valentine's Day but has lasting love power beyond the holiday. The houses and hearts are a charming way to celebrate weddings, happy homes, and just sharing love in general!

The line features peonies, painted hearts, and homes, along with painted paisleys in two width-of-fabric prints. The Ombre Double Border Paisley WOF prints bring opportunities for fussy cutting, dramatic borders, and easy table runners. Get ready to stay warm at home with your lovely flowers and extra love!
